Site History Report – October 2004
Ingersoll Rand Company Facility
Phillipsburg, New Jersey

Title	Author	Date
Landfill Closure Plan	RT	1981
Report on the Hydrogeologic Investigation of the Phillipsburg Landfill	Capsule	1983
Installation of Additional Monitoring Wells (As Required by DGW Permit NJ 0078484)	Tellus	1992
Progress Report Installation of Monitoring Wells (As Required by DGW Permit NJ 0078484)	Tellus	1992
Sampling Plan (DGB) Permit (NJDES)	Tellus	1992
Progress Report Installation of Monitoring Wells 24, 25, & 26 (As Required by DGW Permit NJ 0078484)	Tellus	1993
Draft Remedial Investigation Work Plan QA Project Plan	Tellus	1994
Draft RIW Photos of AOCs	Tellus	1994
QAPP and HASP	Tellus	1994
Draft Remedial Investigation Workplan	Tellus	June 1994
Supplemental Draft RIW	Tellus	November 1994
Groundwater Reports; Draft Remedial Investigation Work Plan	Tellus	June 1995
Status of the Remedial Investigation/Remedial Action on the Buried and Abandoned No. 2 & No. 6 Fuel Oil Lines	Tellus	July 1995
Status; Remedial Action on the Buried No. 2 & No. 6 Fuel Lines	Tellus	July 10, 1995
Report of Soil Investigation AOC-38 & AOC-35	ENSR	August 1995
UST Closure & Site Investigation Report	ENSR	October 1996
ENSR Field Sampling Summary Report	ENSR	1997
Free Product Remedial Investigation	ENSR	September 1997
IDP letter to NJDEP re: AOC-38 sampling	IDP	October 1997
Remedial Investigation Report (AOC-10, 11 & 12)	ENSR	February 2000
Remedial Investigation Report (AOC-18)	ENSR	March 2000
RIR AOC-18	ENSR	March 2000
AOC-3a, 3b, & 17 SI/RI Report	ENSR	May 2000
AOC-3a, 3b, 26, 29, 31, & 37 SI/RI Report	ENSR	May 2001
Site Remedial Investigation Report (AOC- 3A, 3B, 26, 29, 31 & 37)	ENSR	May 2001
AOC-31 (Inverse Ponds) SI/RI Report	ENSR	2002
Southside AOC RIR Addendum	ENSR	2002
Remedial Investigation Report Addendum, South Side (AOC)	ENSR	January 2002
Remedial Investigation Workplan For Groundwater	ENSR	February 2002
NFA Request for Old Landfill (AOC - 29)	ENSR	April 2002
Baseline Ecological Evaluation of the South-Side Area	ENSR	July 2002
Site Investigation Report	TRC	2003
Waste Classification Sampling Plan & Soil Reuse Sampling Proposal	ENSR	2003
AOC-23,33,&34 (Former Incinerators) SI Report	ENSR	September 2002
Groundwater Remedial Investigation Report	ENSR	November 2002
Application for Minor Landfill Disruption Permit	ENSR	May 2003
Annual Groundwater Monitoring Report and Supplemental Investigation Report	ENSR	2004
Environmental Data Resources (EDR) Radius Map Report	EDR	March 2004
Response to NJDEP Letter Dated 10-28-03	IR	2004
Soil Remedial Investigation Report	ENSR	2004
Environmental Data Resources (EDR) Sanborn Map Report	EDR	June 2004

Site History Report – October 2004
Ingersoll Rand Company Facility
Phillipsburg, New Jersey

Correspondence

May 10, 1974 Memo re: an April 1974 air pollution control order to cease operations as of June 1, 1974 and contract off-site disposal of solid waste.

March 26, 1975 letter to NJDEP re: incinerator's ceasing of operations because solid waste disposal had been contracted out.

July 11, 1977 memo from Manager of Facilities to Drill Division managers re: Dumping Waste Material.

July 13, 1977 memo re: Dumping Waste Materials anywhere outside dump, from Manager of Facilities to Phillipsburg plant)

1981. Capsule Laboratories. *RCRA Inspection Report*.

August 25, 1981. Craig Kauffman. Note to RCRA File (attached to Hazardous Waste Management Memos)

September 8, 1981 letter to High Point Sanitation Company from Supervisor of Purchasing and Materials, General Division.

September 29, 1981 memo from Manager of Facility to Division Managers.

October 19, 1981 internal document: *Ingersoll-Rand Company Phillipsburg Plant Environmental Problems Summary*.

October 20, 1981 memo from Norman Pacun re: foundry sand disposal.

October 29, 1981. Robert I Smith. *Meeting with H. Gambello*. (Summary of discussion with Henry (Toot) Gambello, retired Ingersoll-Rand Maintenance employee, on October 29, 1981, regarding operation of plant waste disposal area.)

November 18, 1981. Kenneth Mann, former IR employee. *Questionnaire "Ingersoll-Rand Waste Disposal Area"*.

December 9, 1981. Memo from Craig Kauffman (Manager of Engineering Facilities Department) to Nicholas J. Cooney (Assistant Company Counsel) re: Phillipsburg Landfill.

December 30, 1981 memo from Craig Kauffman (Manager of Engineering, Facilities Department) to Nicholas Cooney (Assistant Company Counsel) re: Phillipsburg Landfill.

March 25, 1982. Confidential memo prepared at the request of corporate legal counsel from Craig Kauffman to Nicholas Cooney re: Phillipsburg landfill.

January 8, 1982, Memo to Nicholas Cooney, Assistant Company Counsel to Craig Kauffman, Manager of Engineering, Facilities Department re: Disposal of Heat Treat and Painting Wastes.

December 2, 1982 memo from R.E. Krueger to R.I. Smith re: Section V: Waste Handling and Analysis Plan.

1983 EPA Burner questionnaire (for 1983)

1983. Robert Smith. *EPA Short Survey of Used or Waste Oil and Waste-Derived Fuel Material for 1982.*

1983. Robert I. Smith. New Jersey Industrial Waste Survey for the Research and Development Council of New Jersey

March 21, 1983. Robert I. Smith. New Jersey Industrial Waste Survey for the Research and Development Council of New Jersey;

January 25, 1985 letter from Samuel S. Bodder to Bruce Ferretti (Manager of Facilities Engineering) re: Ultrafilter

March 29, 1985 letter to Grand Central Sanitation from AGES Corporation re: IR Phillipsburg Foundry Sand waste streams.

April 11, 1985 memo from Bruce Ferretti (Manager, Facilities Engineering) to Sam Bodder (Powerhouse Superintendent) re: incineration of solvents.

April 23, 1985. Bruce Ferretti. RCRA Part B Submission Questionnaire for Section 3004 (u) of RCRA Amendment.

June 13, 1985 letter from Department of Environmental Resources to Wehran Engineering from Bruce Ferretti re: manufacturing process and waste streams for the Phillipsburg Foundry.

June 13, 1985 letter to Wehran Engineering from Bruce Ferretti re: manufacturing process and waste streams for the Phillipsburg Foundry.

June 21, 1985 letter mentioning Rosencranse landfill, PA did not accept IR's application for foundry waste disposal.

November 28, 1986 letter from Robert Kadwell (Tellus Consultants) to Ernest Kuhlwein (NJDEP) re: response to Part B Application deficiency notice; June 30, 1994. ENSR for Ingersoll Rand. Draft Remedial Investigation Work Plan.

January 30, 1987. Bruce S. Ferretti. 1986 Capsule Laboratories Waste Disposal Cost Reduction Program Update.

January 30, 1987. Bruce S. Ferretti. "Wastes Shipped Off-Site" in 1986 Capsule Laboratories Waste Disposal Cost Reduction Program Update.

June 30, 1994. ENSR for Ingersoll Rand. Draft Remedial Investigation Work Plan.
